

Made of heat-treated chrome vanadium steel with induction-hardened cutting edges, the Long Nose Combo Plier with Crimper and Jack delivers maximum strength and durability while combining multiple functions into one compact design.

- 6-in-1 tool: long nose pliers plus crimper for UR/UY/UG, AMP Tel-Splice connectors, 709 series connectors, and “B” type connectors
- Built-in banana jack for quick test lead access and temporary connections
- Integrated crusher, cutter, and 0.030” stripping hole for stripping 22 AWG wire
- Ergonomic dipped plastic grip for enhanced comfort and torque
