

Expertly designed with precision and efficiency to remove terminals from various plug and receptacle housings. It features the following:

- Needle nose pin to easily slide between the housing and terminal tangs for effortlessly compressing locking tangs
- Sturdy handle for a secure, comfortable grip and a high-quality metal construction for long-lasting reliability.
- Removes pins and sockets from various Molex Terminals including: Micro-Fit 3.0, Low Profile Terminals, Pitch Terminals, DuraClik Terminals, and more

SPECIFICATIONS	
PRIMARY USE	Socket and Pin Terminal Extractor
TERMINAL COMPATIBILITY	Molex Micro Fit 3.0 Terminals, Low Profile Receptacle Terminal, Pitch Crimp Terminals, DuraClik Terminals
FOR USE WITH	Rectangular Connectors
WIRE SIZE	18-34 AWG
DIMENSIONS	3.5" x 0.375" x 0.25" (8.89 cm x 0.95 cm x 0.64 cm)
WEIGHT	0.01 lb (4.54 g)
UPC #	810132438486
