

Designed to drill through wood within walls for installing computer, security, phone, and cable small wire systems, these auger drill bit makes installations quick and easy. These flex auger drill bits also features the following:

- Aggressive tip drills through wood and other similar materials with ease
- Holes on the bit head and chuck allow for pulling of wires after drilling
- 54" length for even greater reach than standard drill bits
- Black oxide coated shaft and powder coated blue for greater rigidity, durability, and rust resistance
