

Jonard's PLLM-589 Lineman's Pliers are made of high-quality heat-treated tool steel with induction-hardened plier head and knives, designed for cutting, gripping, and cleaning bolt threads with superior strength and durability.

- Hinge opening holds and cleans 5/8-Inch (16 mm) pole line hardware, bolts, or threaded rods
- Cuts through the toughest materials with ease including ACSR, screws, nails, and most hardened wire
- Rounded, narrow nose with cross hatched knurled jaws to ensure a tight grip in tight spaces
- Rivet design to ensure smooth movement and eliminate side-play
- Thick plastic dipped handles for increased comfort and reduced vibrations while cutting
