

Designed to unwrap wire on binding posts in the left-hand direction, this spring-loaded hand wrap tool is perfect for unwrapping 20-26 AWG (0.81 mm-0.40 mm) wire quickly and easily. This unwrap tool features the following:

- Spring-loaded retractable sleeve has special internal threads to keep unwrapped wire coiled and prevent shorts
- Simple two step operation: Push the tool onto a wrapped wire then pull back shield to remove the wire
- Unwraps wire in the left-hand direction
- Molded sleeve and stainless steel shaft for long-life and durability
- Lifetime Warranty
