OUR LEADER

Rich Gerszberg, CEO

“Customer success is Jonard’s success. A quality product in the hands of our customers is our strongest marketing tool. Our promise is reliability you can count on, always shipping within 24 hours, made for life, guaranteed for life. Our customer loyalty is a result of our employee dedication, both equally important to me, as Jonard Tools continues to strengthen our market share as the hand tool leader throughout the globe.”

OUR STORY

The company was founded by Bernard Osten and Renee Fersen Osten in 1958 headquartered in New York. Initially the company carried products such as specialty telecom tools, wrenches, adjusters, and alignment tools. As the industry grew, Jonard Tools grew and expanded their product line to over 800 products today. The headquarters of Jonard Tools is still located in New York with a strong growing global team located around the world.

MOVING FORWARD

We’re driven to continually anticipate our customers’ changing needs and our dedication to the customer shows in everything we do. We manufacture over 800 unique products and ship 98.7% of all orders complete within 24 hours. We develop 2-3 new products each month. With our premium quality control standards and precise production, we feel confident to offer a lifetime guarantee that is unmatched by our competitors.
