

Designed to cut and strip the most commonly used stranded and single conductors, this wire stripper is the perfect tool for cutting and stripping wires from 6 to 12 AWG (4.11 mm to 2.05 mm). This wire stripper features the following:

- 50 HRC stainless steel construction for precision stripping and enhanced durability
- Coil spring reduces hand fatigue when using the tool for extended periods of time
- Conveniently located bending holes makes wire looping quick and easy
- Includes cutting holes for 8-32 and 10-32 threaded screws
- Ergonomic curved handle design is naturally comfortable to hold & reduces hand fatigue
- Lifetime Warranty
